Alacra Pulse Bios/Contacts

Steven Goldstein is Co-founder, Chairman and Chief Executive Officer of Alacra. Formerly, Mr. Goldstein was Vice President of Strategic Planning for Knight-Ridder's Business Information Services division. In that role he was responsible for Knight-Ridder's acquisition of Technimetrics and its pre-IPO investment in Netscape Communications.

Mr. Goldstein previously held a range of sales and marketing positions at Knight-Ridder's Business Information properties.

Mr. Goldstein has a BS in English from SUNY Albany and an MBA in Finance from Cornell University.

Michael Angle is Co-founder, President and Chief Operating Officer of Alacra. Formerly, Mr. Angle was Vice President of Technology at Technimetrics, Inc., a $20 million financial information company. His responsibilities included managing all aspects of technical development and operations.

Previously, Mr. Angle spent three years as a Product Development Manager for EJV Partners, where his responsibilities included product definition, technical implementation and support of Communications and Real-Time Products.

He holds a BS in Computer Science from Rensselaer Polytechnic Institute.

Barry Graubart has spent the past 20 years applying technology to content to develop high value business-to-business information products. Before joining Alacra, Mr. Graubart served as EVP & Chief Marketing Officer for Leadership Directories, a leading provider of biographical and organizational data for the public and private sectors.

Prior to joining Leadership Directories, he spent four years in various roles with ClearForest, an emerging leader in the text analytics market. At ClearForest, he helped open the publishing and federal intelligence markets.

Previously, he held general management, product development and marketing roles with B2B content businesses including divisions of Primedia, Nelson Information (now Thomson Financial), Kaplan/Washington Post and McClatchy Newspapers.

Mr. Graubart serves on the board of the Content division of the Software and Information Industry Association and chairs its Social Media Action Committee. He is also the author of the Content Matters blog.

He holds a B.A. in Political Science from the State University of New York at Albany.
